**The Attractive Woman Is Free From Foot Worry**

She radiates cheer, good nature, happiness. She trips down the street with freedom in every step. She may be a home-maker, a professional woman or a young business girl. She moves about her work in home or office with ease. She knows from experience the connection between bodily comfort and mental freedom, hence she dresses with a view to securing both. She knows that her feet are an important part of her anatomy; that to be at her best physically, mentally—anywhere, any time—she must be unconscious of them. The

**Cantilever Shoe**

is made with a flexible shank which fits the arch of the foot, giving helpful support without hampering the play of muscles. It gives freedom to the toes and to the whole foot structure. It permits better circulation. Cantilever Shoes induce correct posture—no necessary to the proper functioning of every organ of the body, which, physicians say, means greater endurance, better health, glowing color, increased physical charm. In these shoes you don't have to sacrifice appearance for comfort. In them you will find the neatly rounded toe and medium heel of fashion. Be fitted to a pair tomorrow and see if you cannot end YOUR particular foot worries. Widths AAAA to E.
